World Class Architecture

In a first-time collaboration between the world-renowned designer, Carlos Ott, and the innovative architectural firm, Sieger Suarez, Muse is an unparalleled, visually stunning, boutique high-rise. Placed upon a pristine, exclusive oceanfront, Muse features an unmarred lower-level appearance, with a parking garage folded into the building itself allowing residents to enter directly into the lobby upon arrival. The tranquil vanishing-edge pool sits glistening, overlooking the ocean, just steps outside the building's ground level. Two residences divide each floor and run the full sixty-foot width of the tower, with balconies at the same incredible width, offering expansive outdoor living and breathtaking ocean and intracoastal views.
